	Forum	2:00pm
	Cocktails & Canapes	5:00pm

MC: Industry legend **Michael Hand**, International Executive Loss Adjuster - Chubb Insurance Australia Ltd

---

Topic 1 (2:00pm - 2:50pm)

**Why does the Defect always have to be on the top floor?**

The Panellists will consider the effect of a product failure that occurred at 1 am and caused water egress to multiple floors below. This resulted in damage to a number of guestrooms, the poker machine room (as well as the poker machines themselves) and the restaurant area.

Speakers: **Emma Doney**, Partner - YDR Chartered Loss Adjusters & **Angus Kench**, Vice President, Casualty, Workers Compensation & Crisis Management Claims - Asia Pacific - Liberty International Underwriters

Guest Commentator: **Stephen Brooks**, Managing Director Claims - Jardine Lloyd Thompson Pty Ltd

---

Topic 2 (3:00pm - 3:50pm)

**From the benign to the ridiculous.**

Even the most simple claim scenarios can give rise to complex and unforeseen insurance issues. By reference to various case examples, in this session our speakers will explore some of these issues in the property and construction context including:

- \* Contractual vs insurance claims;
- \* Damage to plant and equipment;
- \* Expediting expenses and delays;
- \* Additional Costs of Working and economic limits;
- \* Time deductibles; and
- \* Interaction between various policies

Speakers: **Michael Bath**, Partner - Carter Newell & **George Bejjani**, General Manager Construction and Natural Resources - McLarens

---

Topic 3 (4:00pm - 4:50pm)

**Impact of Brexit/Trump and challenges when quantifying claims in this new environment.**

How do we use the "adjustment clause" in such a period of uncertainty?

Speakers: **Katie Shanks**, Partner - Wotton + Kearney & **Sherrie Morton**, Senior Claims Specialist - AXA Corporate Solutions Assurance
